David was able to secure Peleton and has a total of \$70mm for everyone. David, with his continued loyalty and appreciation for your initial investment, is offering you more than \$5mm to bring in others to look smart on or take more for yourself.

Thoughts for investment:

Catepillar Trust: 12,100,000 cash

Gratitude: 4,160,000 cash

STC: edc benefits

Butterfly Trust: only 207,000 cash but after 82nd Street will have 4.8mm cap loss carry forward

Funding will be next Friday, March 15th

Attached below is David's deck on Peleton

Please advise on entity and if you would like to offer to other individuals. We can also discuss tomorrow, as I had some other thoughts.

Thank you
