Dear Daphne,

How are you ? Hope everything is fine there...

I am back to the office from the holidays<13.gif> but the factory hasnt resume the normal work yet till February 20th.

Before our order, i need to confirm with you about the color of the landscape solar light. We have 4 colors of that landscape light ,see the attached...From the picture you showed before (i mean the one you found from our website), its the first one... Confirm this color ? if yes, the production will be made by that color.

Your reply would be much appreciated.

Br,
Fancy

Greetings Fancy,

Happy 2019. Yes, we accept the order of the 2000 solar lights, and please start production after you return from the holidays.

We will settle any balance due to you when the production is complete, as we are aware that additional costs may occur, and we want to send one final wire only.

Thank you so much for finding a forwarder and obtaining a quote. We will also wire the cost for the shipping from Xiamen port to Miami port at the same time.

Kind regards, Daphne

How long will production and shipping take before we receive the Solar Lights?

Please advise,
