It seems that the 2550 per child are composed of a 2000 USD tuition deposit and a 550 USD enrolment fee.
The fee is mentioned here:

I will ask the school to confirm that. We will be applying for financial aid and will let you know about the outcome.

Thank you!

Please contact school as i thought we left a 5100 deposit for both kids which would be a 2550 credit on stmt not 2100 as shown

Can you also inquire about financial aid from Alto International School

thank you
