if they seek briefing schedule to brief rescission, then we need to make immediate filing, asking for schedule if they seek briefing schedule without identifying any remedy, we can reserve a right to oppose/respond IF they still seek rescission. Hard to ignore given publicity as to what remedy they have stated they are seeking unless I am told they are no longer certain. I intend to call ND Ga to get their position - which likely is to ask for a period of add'l time to learn case, respond to court order
