Hi Stephanie,

What reason did you give for her release? Thanks.

Good day,

Basilia Morales will be released tomorrow, 03/05/19. We will provide her with an airline ticket to Santo Domingo for the following day, 03/06/19. Daphne, please book. We will send her with \$5,000. She is expected to pursue knee surgery there.

She will be owed wages through the payroll submitted Sunday, 03/03/19, plus for work today and tomorrow, 03/04 and 03/05.

I will see to it that all of her possessions are with her when she departs the island tomorrow. . We have no reason to believe she has possession of any LSJE property.

Please prepare payment and the release letter for Dulce, and call or text me when it is available for pickup at [REDACTED] as I would like to be able to have it in hand when I speak with her tomorrow..

Thank you,
