this is ridiculous as you asked for these items to be shipped 1 month ago

step 1 is building crate which Stephanie just spoke to Sylvester about yesterday??
nothing can be arranged to be shipped until crate is built and full and at Tropical..

it appears Stephanie dropped ball here and it putting up a smoke screen as to why it was not done..
should we assign task to anna?

please advise
thank you

Anna and Daphne are taking care of the shipping end. The carpenters have been tasked with building the crates. I spoke with Sylvester about this yesterday. He should be able to start on them this week. It shouldn't take long.
