Hi,

It was so nice meeting you even if it was for a short while. Please see attached estimate and let me know if you have any questions. Please know this rug is 100% silk hand-knotted made in Nepal. Someone has a reserve on this rug till 03/05, I will find out tomorrow if their client is serious about this rug and I will let you know.

Should you have any questions, please let me know.

Best regards

Tenzing Nepali
