Good Night Stephanie

ETC's (the vender that installed our existing phone service), Steve Bisby and I spoke about the quote for a new phone system. This afternoon Steve expressed that his boss no longer does non-continental installations. I suggested the following alternative of them quoting the equipment and I or a third party vendor (e.g. VIYA or someone else) handles the installation with technical support. He will present this option to his boss and then get back to me.

I have also reminded Earl that time is running short and we need that proposal for the LSJ/GSJ WIFI.

Also did you receive my list for items to come on the plane? if not let me know so I can resend it to you.
