Good day all

I did the pre - arrival walk through

Flagpole:

- wifi online but running slow Liston will replace radio (it has been hit by a power surge) to improve quality of service
- Waiting on new components and speakers for outdoor audio finalization

Chillax:

- Waiting on the piece of furniture to hid the switch and wires

Gym:

- Phone service online
- wifi online
- Audio online

Theater

- online
- Wifi

Outside theater

- Wifi online
- Phone online

kitchen

- Phone service online
- Wifi online

Pavilion:

- Desk is moved and disconnected

Master-suite

- Wifi online

- Phone service online
- I saw the water closet phone has been moved back to the window sill vs the table

During pre-arrival walk through we notice a few concerns:

- low water in kitchen and maid service area not sure if it is all over
- I saw that there a ladder in the master bath
- spots on the entry way
- there is also a slight odor

Liston will be onsite to tomorrow while I assist Carlos with the luggage run. Then i will join Liston to assist with Pavilion Desk and wire if JE wants us to.

Regards
