Yea... it's really wow... in general when i think about having more children i feel confused.first ,our planet is overflowing, second its difficult to me to be completely in charge in daily routine and with so much responsibility. The joy and the challenge to rise children is so alive, palpable. The greatest of all is Love you feel to your child. One day I asked the universe to give me a sign if another soul is waiting to come through me. i just easily trasfer my responsibility to make a decision.silly.but that's what i did... from that day on i started to see the twin numbers. each time i take my phone( it happens rarely because of busyness at home, work) i saw at least 5 times a day 12:12 14:14 10:10 15:15 20:20... it lasted for 3 months. On November me and [REDACTED] were in Paris . we decided to go to St. Germain church to listen the concert. while i was standing in the line to get tickets i approached the big wooden door.slowly i was moving forward keeping my right hand on it. suddenly i decided to take a look to my little hand. my fingers were pointing two words -“ faites des enfants. “ ( make children) i immédiatly took my phone to make a pic and i saw 20:20...because of these signs I've collected , one cold evening i said to [REDACTED] “ tonight the saint sperm has to find a way to me.” and it happened. i knew everything! Jeffrey , its so silly, i never told anyone this crazy story only to [REDACTED] I beg you forgive my irresponsibility , my foolish mind set...

Lots of Love
