Subject: We're Testing iOS 12.2

Date: Mon, 25 Mar 2019 22:45:13 +0000

 ForeFlight Intelligent Apps
for Pilots

Customer Notice

Dear Customer,

We are performing compatibility testing between ForeFlight and iOS 12.2 to ensure that everything is working smoothly. We will notify you with an "all-clear" when testing is completed. Please also stay tuned to our [company news](#), [Facebook page](#), or [Twitter feed](#) for updates.

Follow [this link](#) to learn how you can check which Apple iOS version you are currently running.
