How does the MiG-25 hold the absolute flight altitude record over the SR-71?

Ronald Weinger

Written Mar 13

The MiG-25 was designed specifically to intercept the B-70. It had no other purpose. Even though the US canceled the B-70 program the Soviets continued with the MiG-25, the...

Are Tesla vehicles virtually maintenance-free?

Carey Wong, 2014 Tesla Model S Owner

Updated Mar 23

I bought my Tesla Model S in 2014, and now have 120,000 miles on it. I agree that a lot of the traditional maintenance costs from an ICE are not required, but unfortunately...

Why should you avoid Thailand for retirement?

Martin Pollard, former Mechanical Engineer at Lawrence Berkeley National Laboratory (1980-2011)

Written Feb 27

I made the choice to retire to Bangkok two years ago and plan to stay a long time. No matter where you decide to retire you should do your research and visit the country. Y...

What is an average day like for a gang member?

Daniel Morales, Data Operations Manager

Updated Sat

I was an active member of the Conservative Vice Lords back in late nineties to early 2k's, 5th Block, based out of Gary, IN. On an *average* day we mostly stood on a corner, ...

Why are Aircraft carriers so knife thin at the bottom? They look so fragile down there. Where is all the cargo?

Paul Montgomery, Retired Electrical Engineer (Metrology & Control Systems)

Updated 7h ago

Photographs of US aircraft carriers are deceiving. I'm going to borrow a  couple of picture from a prior answer of mine because it is very difficult to find a photo that sho...

Is it worth buying a Lamborghini or is there a fancier status symbol out there?

Donald Knieriemen, former Visiting Assistant Professor at Purdue University (1988-1990)

Written Dec 27

The best status symbol you can have is your bank account. I will never forget the young lady, dressed to the 9's, got out of a fancy car at Costco gas station. She was very ...

Why has the 357 lost popularity as a defensive handgun round?

Bill Kelly, I've owned guns for over 20 years and have been involved in pro-2nd Amendment.

Written Jan 30

I see numerous reasons why the .357 Magnum may have lost some popularity as a defensive handgun round. I'm not certain of the relative importance of each reason, but a few ...

Why did Yamato battleships have wooden decks?

Christopher Proescher, NRA Certified Firearms Instructor

Written Mar 3

For the same reason that the battleships, Alabama:North Carolina:and Missouri have wooden decks.....

What is it like to be roofied?

Elanna Belanger

Written Oct 16

Several years ago, I was visiting in Tampa with my friend and her boyfriend, as well as my cousin and her boyfriend who were visiting from Canada. We were going to a show to...

Is the .44 Magnum still the most powerful handgun in the world?

John Lind, former Major at U.S. Army (1976-1997)

Written Jun 30, 2018

No, it's not and hasn't been for some time. When Dirty Harry was made in 1971, the .44 Remington Magnum was the most powerful commercially available revolver and cartridge....
