In prison, do lifers look out for younger prisoners?

Tom Daley, Served 13 1/2 years before exoneration.
Written Mar 4, 2018

As someone who went in at 17, I have to say it depends on the lifer and the fish. My personal experience might be a little different than most since I was convicted of kill... [Read More »](#)

Why has Boeing opted to upgrade the 737 and not the 757? Is it because Southwest Airlines is a major customer for the 737?

Bill Helbig, former 20 Year Air Force Pilot and 26 Years Commercial, (1985-2011)
Updated Mar 3

The 757 is the Porsche of larger airplanes. It runs circles around the 737.  When I flew the 75, it was configured to seat 188 passengers. The company I flew for used the 75... [Read More »](#)

I was told by a mechanic that modern cars do not have to be warmed up for longer than 20 seconds before you start driving it, even in cold days. Is that true?

Daniel Wallander, studied at University of Wisconsin - Eau Claire
Updated Mar 1

I was told by a mechanic that modern cars do not have to be warmed up for longer than 20 seconds before you start driving it, even in cold days. Is that

true?That is true f... [Read More »](#)

What happened to the American USMC pilot who brought down a cable car at an Italian ski resort by flying too low and snagging the cable? Was he court martialed, did he face any other consequences?

Ray Nieves, Have a masters degree. Served in USAFR, In health care
Updated 20h ago

That was a USMC pilot (original question had Air Force)) in an EA-6B Prowler aircraft in what is known as the Cavalese cable car disaster (1998). 20 people died.From WIKI:... [Read More »](#)

Where would a flight between New York and London do an emergency landing if its engines fail in the middle of the Atlantic?

Jeff Chatterton, Frequent Flyer, in excess of 125,000 miles annually
Updated Mar 1

OK - your question is actually flawed when you say "in the middle of the Atlantic." Because... ready for this?A flight between New York City and London goes NOWHERE NEAR the ... [Read More »](#)

Why do the Navy SEALs use the Glock 19 handgun?

Al Nolf, former Senior Chief (E-8) at United States Navy (1968-1989)
Written May 8, 2018

We used the Sig 226 for years, there's nothing wrong with it, the 226 was always a favorite. It's a very reliable gun, but weapons are evolving, and the military felt that ... [Read More »](#)

My parents gave all their property to my brother, I feel this action is so unfair, but what should I do?

Kymbr Mundstock, I know a little about a lot of things.
Updated Sat

When my father's mother was dying of cancer, I was 13. I walked to her house, walked her dog, fed her breakfast and set out her medications before I went to

school every mo... [Read More »](#)

Can pilots play a prank on passengers, mid air?

Nathan Burns, Professional Pilot (2000-present)

Written Mar 1

I used to pull pranks on my passengers all the time. Literally every flight I flew I try and pull a prank. The best one I ever pulled was flying some Chinese guys over Ne... [Read More »](#)

What did Ronald Reagan think of George H.W. Bush?

Sean Hitchcock, B.S History & Political Science, Canisius College (2009)

Updated Feb 3

Reagan didn't trust Bush until the assassination attempt, when Bush refused to land on the South Lawn of the White House and took control of a group of men (Haig, etc,) who... [Read More »](#)

Does UPS sell trucks?

Rick Klugman, Over-the-road trucker. Delivering the goods since 1990.

Written Nov 24

No, they do not. It's because they hold the patent for the design of their conspicuous package delivery trucks. At the end of their useful cycle, everything that can be recy... [Read More »](#)
