S                          

- Innovating at Scale - Reinventing Large Organisations, Government and Democracy
- Intelligence 2.0 - An Augmented Future
- How Will We Manage the Transition?

Take a look at the [full Ci2019 program here](#).

This is a very important opportunity for you to develop an agile mindset and build a realistic understanding of the context and **speed of change** across all sectors.

It's especially important for **leaders** and **emerging talent** involved in operations, systems, reform, human resources, innovation, customer experience, digital and strategic transformation and work, education, and skills of the future.
