**Will You Save the Kingdom of Jewish  
Knowledge?**

Are you familiar with this proverb?

For want of a nail the shoe was lost.  
For want of a shoe the horse was lost.  
For want of a horse the rider was lost.  
For want of a rider the message was lost.  
For want of a message the battle was lost.  
For want of a battle the kingdom was lost.  
And all for the want of a horseshoe nail.

**I am in search of a nail to save the kingdom of Jewish knowledge.**

For more than 20 years I have been building the [Jewish Virtual Library](#). Today, it has roughly 25,000 entries covering

everything from anti-Semitism to Zionism. To give you an idea of our reach consider that in 2017:

- 80,000 Jews attended Jewish overnight camps.
- 250,000 students attended Jewish day schools.
- 48,000 students from 67 countries participated in Birthright trips.
- **8.6 million visitors from more than 200 countries used the Jewish Virtual Library.**

**The JVL is the go-to source for educators because of its content and credibility** established over more than two decades. That is why more than 6,000 sites link to us and we are cited as a source in major media, most recently in the *Washington Post* and *Bloomberg News*. You cannot buy the reliability and ranking on Google we have achieved.

**At a time when we often lament the ignorance of the next generation, the JVL is a beacon to enlighten them.**

The light, however, is on the verge of being extinguished -- for lack of a nail.

The JVL is not a high cost endeavor; in fact, it has been run on a shoestring. Still, articles do not appear by themselves. A dedicated staff is needed to keep the site updated and resources are required to maintain its technical edge. It will not survive without your help.

**We need your help to hammer home the nail that will save the kingdom of knowledge.**

Please consider a tax-deductible contribution to AICE to maintain the Jewish Virtual Library.
