Good Afternoon

Attached proposal for window treatments at the Lodge.

The original curtain & roman blind fabric (photo 4149) are no longer available, the next supply will not be produced until 2020

The original kitchen curtain & roman blind fabric (photo 4142) are available

We have located another fabric for the curtains (photo 4256), very similar to the original fabric selected. The plan would be to use the same fabric that we using in the kitchen through out for the roman blinds (photo 4257)

I know this seems expensive, but there is a large amount of fabric required. Native Son have a very good reputation and they have gone work for Zorro a number of years back

Please advise if you would like to move forward or if you would prefer to go in a different direction

Warmest regards
