Yes. I was offline. Rachel got few warnings from Huffington Post asking to remove and lots of threats from somebody with the name Matan Uziel (see attached). She got super scared and agreed to remove, which is disappointing.

I'm super annoyed by that. I'd do my best to put it back on HuffPo through her or somebody else.

On the meantime I've got 3-4 more cool press leads :-). We should chat more about that.

Thanks a lot for your nice gift. It's so sweet of you. I loved the bag. I'm very touched that you're so thankful. It's very rare and very special.

Burning Man was awesome and caused a huge transformation inside me.
