Good afternoon,

This Gold Coast in my opinion is in VERY BAD shape. It will need to be repowered and all electronics replaced. The hull and sponsons(pontoons) are in extremely bad condition. Everything above the water line the entire boat in whole looks like it will need very serious repairs. I do not think this boat is the right one even if it is just a temporary fix.

Greetings all, I went with MG and we took another look at boat, they had guests on board and we couldn't go out. Broker is working on scheduling a test ride. Boat is operational but needs new power, JE offered 110k and seller came back at 115k, after this JE requested a test ride and out of water survey.

Thakyou

Greetings Sir went to boat with Patrick but passengers came and couldn't go out, rescheduled for tomorrow. Spoke to captain. He said boat needs new motors. An out of water survey would be necessary to establish hull condition. New Yamaha 300s would be about 50k. Will have more info tomorrow after test ride.

Thank you  
Carlos

Greetings Sir, this 47 Gold Coast is for sale in Tortola for 160k It comes to St Thomas often powered by 250 yamahas and can hold 30 passengers or better. The engines are on the older side but are still running good. Boat could use some cosmetics but seems in good condition. They are encouraging offers. Please advice.  
Thank you
