Jeffrey

Bill Hammond arrives Paris 6am on Tuesday,,

I will depart Paris Tuesday at 10am to Miami, NonStop AirFrance, (A380, which should be fun).

AirBus informed they have Demo flights the next couple of months, I will schedule a Heli demo next time I'm in Paris, (Glenn our sales rep also informed I might not go for a demo ride on Tuesday since seats are limited) so I decided to head home.,

Thx

Larry
