Just completed G550 Data Base updates with Gulfstream Fast Team, tremendously great support. Extremely knowledgeable mechanic.

Dave and I are staying at Charles DeGalle airport this weekend, planning to Airline to Marseille Monday afternoon, to attend the AirBus H-160 demo flight on Tuesday at 8am which includes a tour of the AirBus Helicopter factory.

We will return to Paris Tuesday evening.

I negotiated a daily parking rate for the G550 with Universal Le Bourget Paris based on a 2 to 3 month commitment at €5000 per month, normal parking for transient aircraft is €850 per day.

Darren is busy this coming weekend, so it makes sense to keep Dave in Paris, during this trip. I always have Bill Hammond as my next backup, I will contact the London Based G550 Pilots and compose a list. Moving fwd.

Since we will fly the GIV starting April 1st, I will fly Capt on all the trips in GIV, Our co-pilot requirement is open in GIV as long as I'm Pilot in Command, so I can use anyone, Bill, Darren or Dave.

Do you still approve of my traveling to Marseilles for H-160 helicopter demo Tuesday?

Thx

Larry
