The problem really comes down to the time frame they take to process permits.

I'll speak to him and see what we can come up with to satisfy everyone.

explain that we put stones over the rocks no on anything alive to try to protect from barge damage. . as you know the current is strong there and the barge risked making a mess. but we will remove if he likes or leave until we get real docks. water trucks, still need to be delivered. , this is silly.
