Subject: Boothbay Investors - Investment Opportunity - Time Sensitive

Dear Investors,

We potentially have an interesting and highly time sensitive opportunity. We expect Boothbay Absolute Return Strategies LP ("the Fund") to be allocated shares of the upcoming Lyft Inc. ("Lyft") IPO through one of our managers.

We have a maximum target position size for the Fund that we will approve the manager to request, however, this manager expects the IPO to be well over-subscribed and therefore we want to offer this opportunity, in the event you would want to have additional exposure to the IPO beyond your existing investment in the Fund. The hope is to capture the initial price appreciation in the first few days (if there is any) and then reduce the position or sell it entirely.

If you wish to participate and request an additional amount of Lyft IPO exposure, please let us know by **9:00AM EST Tuesday, March 19, 2019 (tomorrow)** with a specific dollar-amount you are requesting. We wish there was more time but the manager will need to give an early indication to the company to potentially receive a favorable allocation size.

Please **carefully read the attached letter** and let us know of any questions you may have today before the deadline tomorrow.

Kind regards,
Freddie

Frederick Richardson
