Good morning Adam,

My pleasure. Just noticed I send a wrong copy. Here is an updated version. It looks the same I just included Kevin in this version.

Best,

Dear Adam,

The attached please find a copy with talking points for the event on water this Friday. I also included some points/ideas for remarks which can be used either by you or adjusted to Kevin Rudd's remarks. I am happy to help with that as well.

Let me know if you have any questions on this. I am in office all week and any time at your disposal if you need assistance with anything else.

Thank you and sincerely,
