i think the search for a one dimensional answer is not fruitful. there is an increased closeness. (shared her confusion). with a corresponding increased frustration , and a protective mechanism to avoid pain. . (your perception of lack of warmth). Raj is right you are bad news. but you are also great news. . thats the rub (as they say in kraft style parlors)

I think Rasputin thinks I'm bad business.

I think if there was no professional help to be had here she might well just end this. There is just no longer any warmth. (there was at your house)

I'd commit if i was confident she wouldn't be fickle.

RAJsputin - let him know what it feels like. - . silly, . she is saying , you dont want to commit and only want a mistress. . ok. how much freedom does the mistress get ,? not an easy question.

Ok genius. What will happen If I do 1 or 2?

Am I wrong that this sliding in wrong direction? I'm offering her trust funds and she is not mentioning till caught out that she cancelled our plan for another guy?

Or is this a test to see if I'm not controlling and respect her freedom—which Rasputin is telling her is central.

you, are the cause of her frustration. / anger / not AT you , but the situation naturally creates tension. look at yourself first. ! see how emotional you have become. . highs / lows - marvin minsky told me his dieting trick that really worked. . he told me he trained himself to enjoy being hungry. ... he stood beside himself in wonder at the whole process) i guess you have called it more philosophical. - If you cant step outside yourself and enjoy the process of sexual interactions , note them with awe. . then you should probably watch another form of sport. . If you decide you prefer , to end it. two choices . 1 Ive decided to put your happiness before mine, and realize this confusion is painful for you. so as the adult in this mess. I will cut off all communication , for three months - separate from any urgency of course. , as i am always there for you . and give you space so you can make up your mind free from my daily inputs. . will reconnect on july 4th , our indenpendce day. and re look at the situation. . or 2. Shame but you have given me no choice but to open myself to responding to another woman who has repeatedly expressed an interest in an affair. and we will both attempt to find each other in some other bodies.

FYI below from Dershowitz.

I think the pain gain ratio from Asian opera is getting too high.

If this is all a test and retaliation and signal I ll stay in game for a little while I guess. Option value.

But there does not feel like a big upside. She is no longer warm and fun as she used to be. She feels hard selfish and using. It is disruptive and risky so I think i may say good bye in Beijing.

What is best way?
