i spoke to the fact-checker at the New Yorker today—my comments all concerned cancelled talk in 2007 but he did say that you were mentioned elsewhere in the article—out in a month, he will alert me

short answer to your question—after 7 years of continuous support, you seemed to flip, no support at all for past two years nor response to requests

just wasted two days at Hunter College here in NYC—lecturing and meeting with head of Master's program and separately Chair of Psych Department, trying to pinch-hit for someone on sabbatical

hey said they loved me but offered me "monkey money", as we call it in Jamaica, \$5500/semester—my God, Jeffrey, rent is 8 grand, i would like to eat, have a modest social life and an occasional psychosexual experience—i would return to Jamaica \$15,000 in debt

but i can't take Jamaica 24/7—will fly to London/Berlin for two weeks early June

**can you name a time/date when i can reach you by phone?**
