Greetings again Chris,

May we have some pictures of the trucks, exterior and interior? We will be presenting to our Principal this week, and we want to show him that you have the trucks, they are in premium condition, and highlight why these trucks are our first choice.

Thank you and kind regards, Daphne

Greetings Chris,

Thank you for the follow up, and breaking down the costs, including the changes Sheridan requires. Can the Roll Off truck receive the larger fuel tank (120 gallons) that he requested?

Kind regards, Daphne
