Hi Brice,

The tile samples are going out today on FedEx overnight. Tracking# 772475550554. I was wondering if you have the roof on a PDF file only because the ones you sent me are not legible enough for us to do a proper takeoff. If you could find those and send over that would help us quote properly. Please let me know

Regards,

Jack

Good morning Brice,

Take a look at the attached flyer and pick out the style and color. Boral purchased Entegra and they have discontinued the Boca White and only offer Ultra White with the Plantation Smooth but they now offer the Boca White with the Bermuda Smooth. Not much of a color difference but I want you to see it.

Page 29,30 BERMUDA SMOOTH & COLOR CHOICES (Boca White)

Take a look and let me know.

Jack

Hi Brice,

Are we quoting the whole roof or sections? do you need the Hunter Panels as well? We can also quote that. If you have the square footage you need that would help.

Please let me know

Jack

Hi Brice,

Hope all is well with you.

Yes I can still get the PLANTATION FLAT ROOF TILE. Let me know how much you will need and if you have a drawing of the roof that would be great.

Please let me know

Regards,

Jack
