I am sure you do not realize how distasteful I find it to have you question my guarantee and word . After taking Alan , a person terrified of losing his biggest client at his word , though your experience is clearly contrary to the idea that he would come up with an idea. then force me -, me !! to put together incontrovertible truth, and even then when it would take only two minutes of your time to see the obvious. Tell me you dont want to look . you want a meeting.
