I am sure you do not realize how distasteful I find it to have you question my truthfulness and honesty . After taking Alan , a hardly disinterested third person terrified of losing his biggest client, at his word , though he has never come up with one idea prior or since Then you force me -, me !! to put together incontrovertible evidence , and then when it would take only two minutes of your time to see the obvious and put the entire matter to rest you tell me you dont even want to look . you want a meeting.
