I am sure you do not realize how distasteful I find it to have you question my truthfulness and honesty . You easily take Alan , a hardly disinterested third party , terrified of losing his biggest client, at his word . The fact that he has never come up with even one idea prior or since seems to be ignored and then -- you force me , me !! , to put together incontrovertible evidence to prove something that should be obvious to you , and afterward when it would take only two minutes of your time to put the entire matter to rest you tell me you dont even want to look . you want a meeting. You cant be proud of this .
