I am sure you do not realize how distasteful I find it to have you question my truthfulness and honesty . You easily take Alan , a hardly disinterested third party , terrified of losing his biggest client, at his word . You choose to ignore the dull fact that he has never come up with even one unique idea prior or since .-- you then force me , me? !! , to put together a list of incontrovertible evidence to prove something that should be obvious , and afterward when it would take only two minutes of your time , and to have put the entire matter to a well served rest you tell me you dont even want to look at it , you want a meeting. Clearly , not the way I have ever dealt with you.
