the piece has safely arrived in London
estimated sales price is 600-800k pounds with a 600k reserve
additionally language in document says that they have full discretion to sell at reserve during the 60 day post auction period
sale date march 6 2018

Ask them to advise why they can't accept our change in 14(a) - our ability to reject or accept in our discretion any offer above the reserve during the 60 day post auction period where Christies has exclusive sales agent authority to conduct private sale.. If sale price is at low estimate in private sale, and JE thinks it should go for more in a subsequent auction, he should have the right to reject offer. Otherwise then Christies should not have exclusive post auction 60 day sales agent right.

Are you and Jeffrey ok if the reserve is set a 600,000 pounds?

Except for the above comments, I am ok with the agreement.

Thanks.
