did you get the doc? eileen. . 1 . still have not gotten an answer or even a response to the questions I asked of jon and a. . invest etc. . 2. i m concerned that if i push too hard he turns you in to deb. . . little incentive not to. . 3. some housekeeping. . i dont want to know where her money goes. . I do want to know how much cash you have taken out so far this year. 4. j trust empty, close. . 5 , off books. . 6 . Im sure you didnt mean to insult me. and I let it go in the past as your mental state was not open to the simple and easily proven truth. however , IT is not friendly to accuse me of stealing. . that s how i see it. . In the realm of science and ideas. the world I live in , stealing someones ideas is a much greater crime than stealing their money. . thats a petty theft or a felony , stealing ideas and taking credit for them, is the lowest of low. . . the idea that you think I would steal an idea from alan halperin , who has yet to show you anything new at all. in 4 years. is ludicrous. 7 the exchange agent issue. , is emblematic of main issue that i see. I told you and heather that i have never seen that transaction done that way, where a qi ,not a gallery avoids sales tax. you have an office of barry , who has no experience . and an office of c plusses. . they tell you something . you want to believe. the exchange agent is a pain for you. the risk of a 1031 audit has increased. . and this is what i have warned against . just like the plane. . making life easy for the other side.
