Subject: News/ Questions

Dear Ehud,

I hope all is well with you: it was really good to see in London.

I have a couple of questions from my CFO, see attached. Can you let me know who should I address them to?
I forgot to ask how is the new arrival doing? I hope mother and baby are doing well, and do send Nili my best.

Best

Nicole

P.s: I am starting your book it is fascinating!
