---

Jeffrey

St Thomas just received the FAA letter of approval to install [REDACTED] on G550,, I have NOT received RVSM Letter of Authorization for G550 yet, this will help with my RVSM approval with FAA in SanJuan,, I will fly above RVSM on the Paris trip this weekend as we did before, I'm still planning to install [REDACTED] on G550 during paint when we down the plane in Savannah.

Thx  
Larry
