I have had researched and collated the long string of emails , laying out . fees . calculations alternatives. etc. , wayyy before the details of the transaction were given to any of your geniuses. . I also have the emails that reflect your, at least appearing to try to find solutions - non cash ways to pay. - nothing at all, zero , reflects your unwillingness to live up to our agreement until months afterward when the transaction was already complete. . sorry. though, you did tell me later that you ignore most of what i send if you dont like its conclusions. :) 5. I spoke with my friend who aggressively pointed out that (re your stated viewpoint) LEONa :) - Helmsley , made the same naive and eventually malignant argument re the indisputable fact that she had actually paid over 800 million in Fed taxes. so why all the fuss?- and it certainly didn't end well !. - and furthermore "-the very rich have the ability to pay more! -so less of an excuse" , -. strange times . . 6 .they have recently upgraded the " wealth squad". - their elite division!. - more only- for face to face. 7 .IMP NOTE : you and A , both are on extension ie have returns due in a few weeks. -work to do . phone only .
