Jeffrey,

I wanted to let you know that I have contacted our engineer and we will take care of removing the lock and I will get the door panel redone to eliminate the small holes.

I know you were very upset/disappointed at an apparent miss-communication but I want you to know that Eric has stated that I should do whatever it takes to get it done and that's just what we will do.

The door was removed this afternoon and It will be getting worked over the weekend to assure it is installed on Monday.

Thank you
