This is INSANE. I convey information, to the highest level, that I am assured is correct. I am accused of misleading or misrepresenting. so I have to go back myself, (as if I have nothing better to do). to source documents to only discover that. as usual, I find docs signed by Eileen Barry, you that contradict my prior statements. only one example; being told Lviv is the shareholder along with Leon in Crunchit. to only find after asking for originals that Ana in her own fucking name is co-investor with Black family partners!! and maybe in Magnus investors with same trust with Deb as beneficiary, have no source docs yet. LEON You are not running a pizza place. a Pilates studio in Queens or an internet start up. you have a 6 billion operation run by your friends with no EXPERIENCE. filling out forms choosing mom and pop consultants.- ie yes the exchange agent has done this numerous times but only with small amounts. (translation. -MEANINGLESS!!) phone today is NOT going to work, sorry, tomorrow late afternoon. set a time. ill either fly to Westhampton or phone.
