By all means. We'd love to put you in direct touch with any of them if you like. Would you like a list of everyone we talk to? Or are there specific topics where you would like names? Very easy to give you either.

barry , I spoke to leon, at the very minimum . If you think it important to tell me who has said what in order to justify a position I d appreciate the name of the person who is making the statement or argument. , - telling me

'our lawyers "or "e and y ", or our guys, is not very helpful.

leon tells me that this person works for a group bought only recently by E and Y. each person has a name , and preferably a bio. .
