that way my ex can deposit it directly in the foundation's account, Biosocial Research Foundation

the Foundation's extension was granted back in May; i meant to say i would be filing in September since i will be on the road afterwards

check can be made out to the Foundation

great talking to you start to finish

most grateful for the 25

my Foundation has always been fully up-to-date, never out of compliance; i have a Tax firm that automatically applies for the one extension one is permitted; i will apply soon since ii will be on the road from October

male emphasis on 'appreciation'

a function of male parental investment

he wants to be appreciated for his investment

in either common children or the woman herself (monogamous)

Chris Rock—why doesn't anyone appreciate the father as in "dad, thanks for knocking out the rent this month"

female emphasis on 'respect'

perpetual fear of an imposed subservient role

~30 million years of being the smaller sex in a long lineage with aggression

to be respected is to be protected by kin, mate, friends

to be dispersed is per se to be vulnerable

this is my first stab at it
