Attached is Rusty's quote for interior work,

I questioned Rusty, what happen to the \$650k verbal wood quote, he informs, its the type of wood selected that impacts cost, there are lower cost wood that would quality for \$650k price,.

Excerpt from quote:

The veneer allowance options pricing are as follows:

- Dark Eucalyptus veneer: \$77 /SF (Proposed amount \$708,176)

- Pearwood veneer: \$104 /SF (Proposed amount would change to \$743,921)

- Walnut Burl veneer: \$212 /SF (Proposed amount would change to \$883,968)
