the tax conversation normally is . Here are our projections or amount and character. heres what we are thinking. here is our planning. for this year next and the one year after. There are 6-8 candidate solutions to each issue. . where do they show up, how are they reported. is there a way to... once it is done on a detail levell it is re adjsuted to an overall presentation. . what does the tax return look like to the computer. more adjustments. . sometimes start from scratch . the whole doesnt work for the three years. . this usally takes 4-6 weeks of intense back and forth. consulting experts in minutae. crummy powers of trust. self dealing. state law. in conflict. . sales and use. gift and state nuances. . restructuring ownership. corp llc partnership. tenants. grats. cruts. ownerhips sharing . special vehichles. foreign credits. marital consdierations. GST issues. . audit profile. . dislcosures fbars fatca. gaming. 8865 5471 . etc. . It is a whole project , not --- -- keep track of who he had dinner with to insure biz use on aircraft. . . my suggestion :: - last year was over 40 m tax next few years over 200 m . clean up all the publishing assets . too many cos notes ownerships. poor in house accounting. stories each and every year have yet to meet goals. only accounting allows some flex. returns etc. (too many entites) sell boat. art. stock. deal with art on walls. use new house to cause past /future, become a dealer. record keeping that joe v is good at. . opens up inventory . trade ins. expenses. , look at foundations . . reviewall art with leon and children. sad to see he belives something is one of a kind and the kids sell it day one. . I suggeseqd phaidon be taked with creating abook on his entire collection. good for many reasons. etc.
