I think SAC paid him 300-ish. He is an upgrade on the tax side, but the other Joe is not tax. He is accounting, and we think he does an excellent job.

E&Y is looking over Tom's shoulder on tax compliance and doing fine. On tax planning, they have contributed one or two tidbits, but have otherwise been very slow and disappointing. We are going to politely tell them that and hope that they will be better in the future. We have upcoming meetings with them to discuss the plane and Phaidon.

We talked to them about your fees, and they have been useless (and slow).

A little complicated on the way in, but I think \$400K salary plus target bonus of \$140K.
