Larry,

At this point I will not be able to assist you unless directed to do so by the aircraft owner. I hope you find what you are looking for. I'm sure there is something out there at your price point.

Best Regards,

Brian Hazen

Hello Brian,,

To be clear, if you choose to pay Alireza or Bob Peerless we have no dog in the fight. We have thoroughly canvassed the parts buyers, so I am aware of the net to you and timing. Be that as it may, please feel free to deal directly with me, as I am the only real buyer and end user.

Note:

IF you could video the wheel wells and APU area that might move things along.

I'm Happy to give your boss to the end of the week if that helps?

Thx again
Larry
