Dear Jeffrey,

I have met with Arda once but would like to ask if it is ok to reach out to him or meet him regarding a question. I don't feel comfortable carrying on a conversation with him unless you are aware of it.

I have some interviews through a recruitment agent and there could be a chance I am cap exempt for H1B. This being due to the fact that I have held the visa in the past and withdrew it before completing 6 years. Arda did touch on the fact that I could be last time I met with him but said he needs to do more research. I understand (from my own research) the benefits of being cap exempt to entail bypassing the lottery component of the visa class and being placed straight for review. In addition, one is able to apply at any time during the year.
