Dear Larry,

I'm in receipt of your Email. I would like to advise you that my client is on blind copy of all of my Emails. You will see that after I receive instructions , that I have the authority and confidence of my client to negotiate on their behalf.

My client also values my advice on the status of the Boeing BBJ resale market.

Next , I have an important lunch today with some other serious clients.

I will respond to your Email in kind, later today when I have a chance.

Thank-you in advance for your considerations.

Best regards

Bob P.

Not at all, You said you no longer wanted my principals biz. As you saw, I told him you were involved. No judging the ball. Not sure why you guys are not saying yes. \$9 million can be put in escrow immediately.

I guess you are too used to dealing with scuzzy brokers.

Good Luck

These guys have been in contact with me this morning. Looks like they are just bottom fishing... Not real buyers... Wasting our time. Bob did the right thing. Too bad. I think at a fair price it is the best decision for us.

Hello Brian,

We have been informed by Bob Peerless that he has an exclusive on the aircraft and our offer was too low and he preferred no further contact. As I feel I am prohibited from any contact with him please tell your principal that we are ready buyers at a slightly above parting out price. The market is what the market is. We can accomplish a fast prebuy and Borescope, and have bought many airplanes, so we are familiar with the requirements.

Thanks,

Larry
