I would tell gates if i were you , that one science is the most exciting . forget transgender its transcience. . you can tell him that you and I have no interest in donor advised funds. too complicated. but cutting edge. brain stimulation, plant and human interaction. mathematics that can deal with millions of inputs. biology, vs few inputs physics needs to be developed. I told him he would have FUN at the theory level, instead of being under melindas thumb (fat thumb)
