Noted... I will follow your direction .

My suggestion because I think it's good to have written staff of how you can help and what you need from information, so he can give it to some one from his team with his signature to implement...so we can push for the implementation immediately.

Do what you think is the best boss

the agenda. I propose to sit by his side and translate and advise him on the reality of the proposals that he is hearing. I will give him my unbiased view as I do not represent a seller of any thing. If he enjoys the dialogue we will have more. I do not want money. My true expertise is money and all it involves. NOT finance . that is easy to purchase.
