Dear Vikram, Matt and [REDACTED] –

A quick email to introduce you to each other.

[REDACTED] is working on a bunch of things including AD and recently attended the AAIC meeting in London, so has a lot of relevant updates to offer on biomarkers, clinical infrastructure and data.

The McKinsey team (Vik, Matt copied) are helping us develop the execution plan over the course of the next 8-10 weeks, so very timely in terms of connecting with them on your findings and potential leads to dig deeper into.

Best,

Bose
