Anna - Good morning 😊

Your thoughts - Would you consider talking to JE about bringing us back and sitting down with all of us as a team and going over with us responsible and breaking things down with are strengths and weaknesses so we work better together and we are not competing with each other.

There is so much work for the managers to do and if we can break it down and understands each other's roles and work close together as a team to make it work.

We also are short handed in the landscaping and house keeping departments the employees are getting tired.

Kim and I feel after 7 weeks of on island and only 2 visits from JE is not long enough time to work out all the kinks.

We feel bad and we know how hard you work. Would you be willing to try to talk with JE. and if not we understand.

Thanks  
Michael & Kimberly
